Do You Want a Role Where You Actually Make a Difference Every Single Day?

Not paperwork.
Not routine.

Your Mission

You'll be the heartbeat of the home — designing and delivering activities that:

- Boost mental wellbeing and happiness
- Keep residents active, engaged, and connected
- Bring families, staff, and the community together

This isn't just bingo and board games.

Think:

- Meaningful 1:1 moments
- Themed events and celebrations
- Community outings
- Creative, personalised experiences

You will also:

- Get to know residents deeply — their stories, passions, and personalities
- Lead activities that truly mean something to them
- Work closely with the Home Manager on events and fundraising
- Help shape a vibrant, positive culture across the home
