Catering Assistant (Bank)

Description

If you're passionate about care, innovation and excellence, then HMT could be the perfect place for the next step in your career. We have an exciting opportunity to our join our Catering team at Sancta Maria Hospital, Swansea.

You will support the Catering Team in delivering a customer focused catering service throughout the hospital following agreed work schedules, methods and procedures in accordance with the national standards for these services

This is a bank role. Bank vacancies are not contracted to fixed hours; instead, they allow workers to pick shifts that align with their availability. Our Bank workers enable HMT to managing fluctuating demand, such as covering staff absences, busy periods, or unexpected workload increases whilst offering you the flexibility pick up shifts as available.

Appeal of Bank Work

Bank work is a flexible way to join our team, offering opportunities to work across various roles and departments on an as-needed basis. As a Bank worker, you can choose shifts that suit your availability while supporting HMT in delivering essential care. This arrangement provides valuable experience, competitive pay, and the chance to make a meaningful impact, whether you're looking for temporary work, a supplementary income, or stepping into a healthcare career.

Bank work offers a unique combination of flexibility, variety, and the opportunity to provide valuable contributions to our teams while gaining experience in a dynamic healthcare environment.

At HMT, we take pride in delivering exceptional healthcare through our two private hospitals: St Hugh's Hospital in Grimsby and Sancta Maria Hospital in Swansea. Both hospitals are dedicated to providing expert, patient-centred care in a welcoming and compassionate environment.

The team at Sancta Maria consists of the UK's leading physicians, surgeons, consultants and healthcare professionals with expertise across all major medical specialties. The medical team are innovative and use the latest evidence-based medicine and research approaches when providing care.

Though we offer private healthcare services, HMT Sancta Maria works in collaboration with the NHS to ensure that all communities have access to excellent quality modern healthcare services

For over 130 years, HMT Sancta Maria Hospital has been providing affordable healthcare to the communities in Swansea. HMT Sancta Maria along with their sister hospital HMT St Hugh's in Grimsby, has a mission to provide safe, high quality care in order to improve the health, wellbeing and independence of their patients. Part of the Healthcare Management Trust, HMT Sancta Maria is a non-profit organisation using their surpluses to fund medical research, educational
