Multi-Trade Maintenance Apprentice

Description

Multi-Trade Maintenance Apprentice, St Quentin's

We have an exciting opportunity for a Multi-Trade Maintenance Apprentice to join the team at St Quentin's.

Working alongside our experienced maintenance manager, the successful candidate will learn across a range of skills while helping keep our site safe, comfortable and well-maintained for our residents and colleagues. It's a hands-on role and a genuine route into a skilled maintenance career, with the apprenticeship qualification gained through Stoke-on-Trent college as you work.

We're looking for someone practical, reliable and keen to learn.
